

## Balisor B115 110KV to 130KV [P/N: B115]

## Obstruction lighting system for high voltage lines, red fixed low intensity

The BALISOR® system comprises:

- > long life cold neon discharge lamp B49 manufactured by OBSTA,
- a set of capacitive tapings in aluminium, the length depends on the voltage of the line to be protected.
- a set of flexible accessories for suspension and insulation which depends on diameter of the cable

The power supply by capacitive effect ensures a constant light intensity whatever is the value of the electric current crossing the line
