EU Declaration of conformity

CE

Company: OBSTA
Address: 29, Bd Edgar Quinet, Paris, France
Trade Mark: OBSTA
Products: Battery System powered

This is to certify that **Battery System powered series,** as follow**,** products manufactured by OBSTA, are in compliance with:

- **Directive 2011/65/EU** (and delegated directive **2015/863/EU**) on the **R**estriction of the use **O**f certain **H**azardous **S**ubstances in electrical and electronic equipment (RoHS Directive).

Batteries do not fall within the scope of Directive 2011/65/EU (and Delegated Directive 2015/863/EU). They are governed by a specific regulatory framework, namely Directive 2006/66/EC, which has now been replaced by Regulation (EU) 2023/1542.
This regulation covers the entire life cycle of batteries — from design to end of life — and defines requirements regarding durability, safety, labelling, and traceability.

Models	*Application*
113956B	48V-BAT-20Ah
113956B-230-400	48V-BAT-18Ah-230-400V
113953B	48V-BAT-12Ah

The Battery System powered series is in compliance with their related European testing standard:

European standard	Description
EN IEC 62040-1	Uninterruptible power systems (UPS) - Part 1: General and safety requirements for UPS
EN IEC 62040-2	Uninterruptible power systems (UPS) - Part 2: Electromagnetic compatibility (EMC) requirements
